

My child is unable to attend the scheduled time for grad photos. What can I do?

Great question. Besides the dates we offer at the school, we'll also have some studio dates available for students. Looking at the calendar I'm seeing we have the week of March 31st - April 4th currently scheduled.

These sessions will be held at DoubleTree by Hilton Hotel & Conference Centre in downtown Regina. Appointments for these can be booked via the following link:

Can you provide links? Video links aren't clickable

Absolutely! Here's a few relevant links. These links and more will be added to the graduation information page.

2. [Miller Scholarship Page](#)
