GRADUATION MASS & EXERCISE INFORMATION

STATEMENTS OF POLICY AND PROTOCOL

Regina Roman Catholic Separate School Division No. 81

Graduation Exercises

The Board favours high school graduation exercises for all students who are in a position to complete the provincial and school division high school requirements at the end of the current school year. Graduation exercises are to reflect the spiritual and the academic aspects of Catholic education ([Admin Application 8520](#)).

SYSTEM PRACTICE

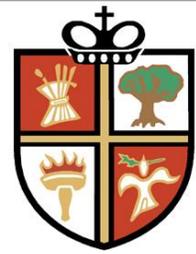

1. Students must acquire a minimum of twenty-four (24) credits overall at the Secondary Level. These requirements are detailed in the student handbook and can be found under Student Services section Miller's website (<https://miller.rcsd.ca/graduation-requirements>)
2. Graduation eligibility lists will be updated and posted shortly after the beginning of Semester II. It is the responsibility of each student to ensure his/her name is on the list, and to verify the spelling of his/her name.
3. In keeping with school division policy, we at Miller Comprehensive Catholic High School believe that a student's academic achievement should be recognized in a Catholic atmosphere. This belief will be manifested at the graduation mass and the graduation exercises.
4. We strive to keep costs reasonable and affordable for all grade 12 students.

SPEECHES

VALEDICTORIAN (speech given at exercises)

The role of the **VALEDICTORIAN** is to serve as the representative voice of the entire graduating class. This position should be looked upon as an honour. This student acts as a representative on behalf of the graduands.

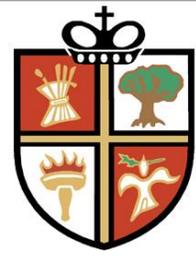

Procedure for selecting a Valedictorian

Eligible Candidates

The top 10 students based on May 1 average marks in all courses. The list of up to ten nominees is based on students' overall grade average. If a nominee chooses not to have their name on the ballot, a replacement name is not selected.

Nomination and Election

- The nominee receiving the most votes based on student vote will be the valedictorian, whereas the student who receives the second highest number of votes will give the salutatory speech. Two other nominees may be selected for the exercise invocation. The nomination and voting processes for these positions will run during April/May. If the result of the first vote is determined to be a close race, there may be an additional vote with a reduced number of nominees to determine the valedictorian.
- The selected student must have their speech approved by the school administration and presented to the speech committee by the agreed upon specified date. In the event that the speech is not completed to present to the committee someone else may be selected. The speech must be rehearsed with the appointed teacher(s).
